MEMORANDUM FOR THE RECORD

SUBJECT: CPRP Sub-Group Meeting of 18 April 1974

1. The Cross Program Resource Package Sub-Group of the IRAC Working Group met at CIA Headquarters at 1000 on 18 April 1974. Those attending were:

[redacted] Chairman
Mr. Albrecht, ASD(I)
[redacted] CIA
[redacted] ICS
Mr. Mitchell, OMB
[redacted]
Mr. Thro, State

2. [redacted] explained the concept of designing the CPRPs so that a complete set of such packages would constitute the NFIP. It was agreed that the CIRIS structure would provide the initial point for constructing the data displays that would describe the CPRP's.

3. After much discussion concerning the sub-group tasks necessary to accomplish the overall design of a complete set of CPRP's, it was agreed that it would be useful actually to try to design several specific CPRP studies. Accordingly, group members agreed to develop for the next meeting Terms of Reference and study designs as follows:
